

MEDITERRANEAN CRUISES CALLING EUROPEAN PORTS

Mandatory RT-PCR molecular test at the embarkation ONLY in ITALIAN PORTS, for guests that, in the last 14 days, have been or transited through one of the following countries.

We remind you to check the official websites and comply with additional entry requirements before starting your journey and entry in your embarkation country.

High risk countries (weekly data from European Centre for Disease Prevention and Control) as of 1/16/2022

EN: Guests that are at least 2 years of age and live or, in the last 14 days, have been in close contact with people in one of the following countries must have a molecular RT-PCR test at the terminal on the day of embarkation. Nations at risk with a higher infection rate than the infection rate in Italy (3,143)

IT: Gli ospiti che hanno almeno 2 anni e vivono o, negli ultimi 14 giorni, sono stati in stretto contatto con persone in uno dei seguenti Paesi verranno sottoposti a test molecolare RT-PCR il giorno dell'imbarco, al terminal. Nazioni a rischio con tasso d'infezione superiore al tasso d'infezione in Italia (3,143)

FR: Pour tous les passagers âgés de plus de 2 ans et qui vivent ou ont été, au cours des 14 derniers jours, en contact étroit avec des personnes dans l'un des pays suivants seront soumis à un test moléculaire RT-PCR le jour de l'embarquement, au terminal. Les pays à risque avec un taux d'infection supérieur au taux d'infection en Italie (3,143)

DE: Gäste, die älter als 2 Jahre sind und in einem der folgenden Länder leben oder in den vergangenen 14 Tagen mit einem Menschen in diesen Ländern engen Kontakt hatten, werden am Einschiffungstag am Terminal einem RT-PCR-Molekulartest unterzogen. Risikoländer mit einer Infektionsrate, die höher als die Infektionsrate in Italien ist (3,143)

ES: Los invitados que tengan al menos 2 años y vivan o, en los últimos 14 días, hayan estado en contacto con personas procedentes en uno de los siguientes países, deberán someterse a un test molecular RT-PCR en la terminal durante el día de embarque. Países en riesgo con tasa de infección superior a la de Italia (3,143).

Country (A to C)	Delta* IR	Actual IR	Country (D to H)	Delta* IR	Actual IR	Country (I to O)	Delta* IR	Actual IR	Country (P to Z)	Delta* IR	Actual IR
